PRACTICAL HOMES

THIRTEENTH EDITION

"Practical Homes" is published as an aid to the home-builder. It is designed to help in the selection of a house best suited to various individual requirements.

The houses selected have been chosen for their attractive design, efficient plan and economy of construction.

The illustrations are architectural renderings and present a vivid picture of the completed house.

PLAN SERVICE

A Plan Service that offers the homebuilder the assistance of experienced house designers.

A complete set of plans consists of elevations, floor plan layouts, details, specifications, lumber and millwork list, and plot plans.

In addition to two bedrooms, this small compact home features a generous size dining area convenient to the step-saving kitchen. More than adequate storage space is provided in this plan.

Price of one complete set of Plans, Specifications, Lumber and Millwork List. 20.00

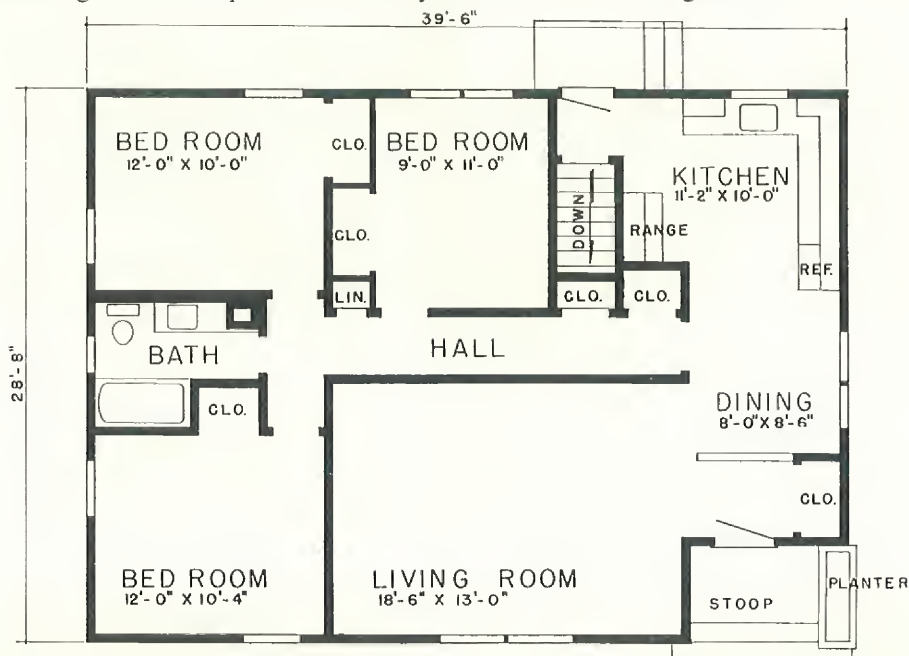

Additional sets, each. 5.00

WM. E. PEDERSEN, 400 PIONEER BLDG., ST. PAUL 1, MINNESOTA

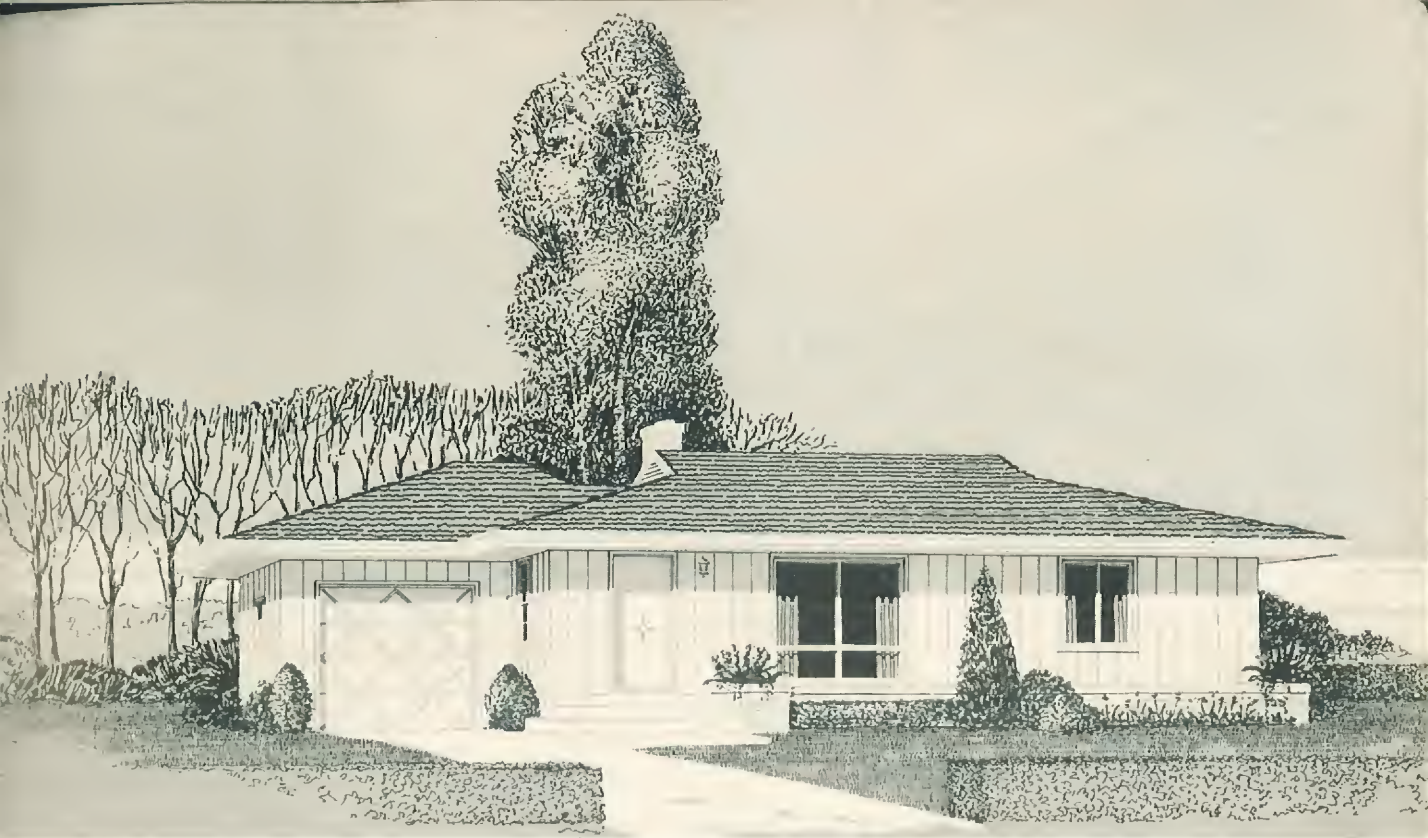

Newell

Although this home is not large it combines spaciousness and economy that meet the requirements of a medium size family. The dining area is removed from the entry by a half partition which may be used for a decorative plant shelf. The large attractive windows in the living room are a large fixed glass over an awning type ventilating sash. The plan is extremely efficient and well organized.

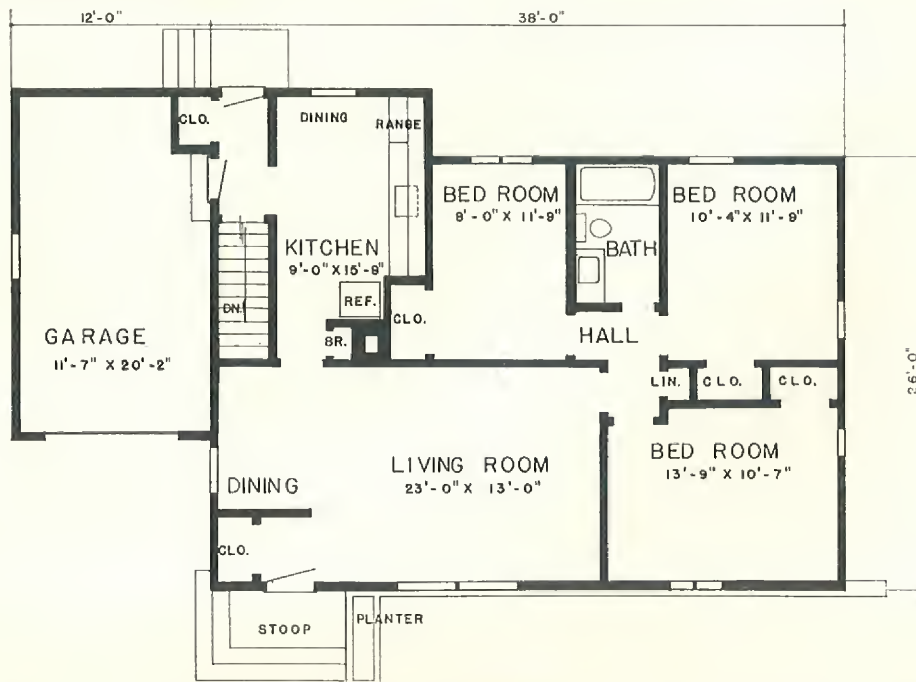

Price of one complete set of Plans, Specifications, Lumber and Millwork List. 22.50
Additional sets, each. 5.00

WM. E. PEDERSEN, 400 PIONEER BLDG., ST. PAUL 1, MINNESOTA

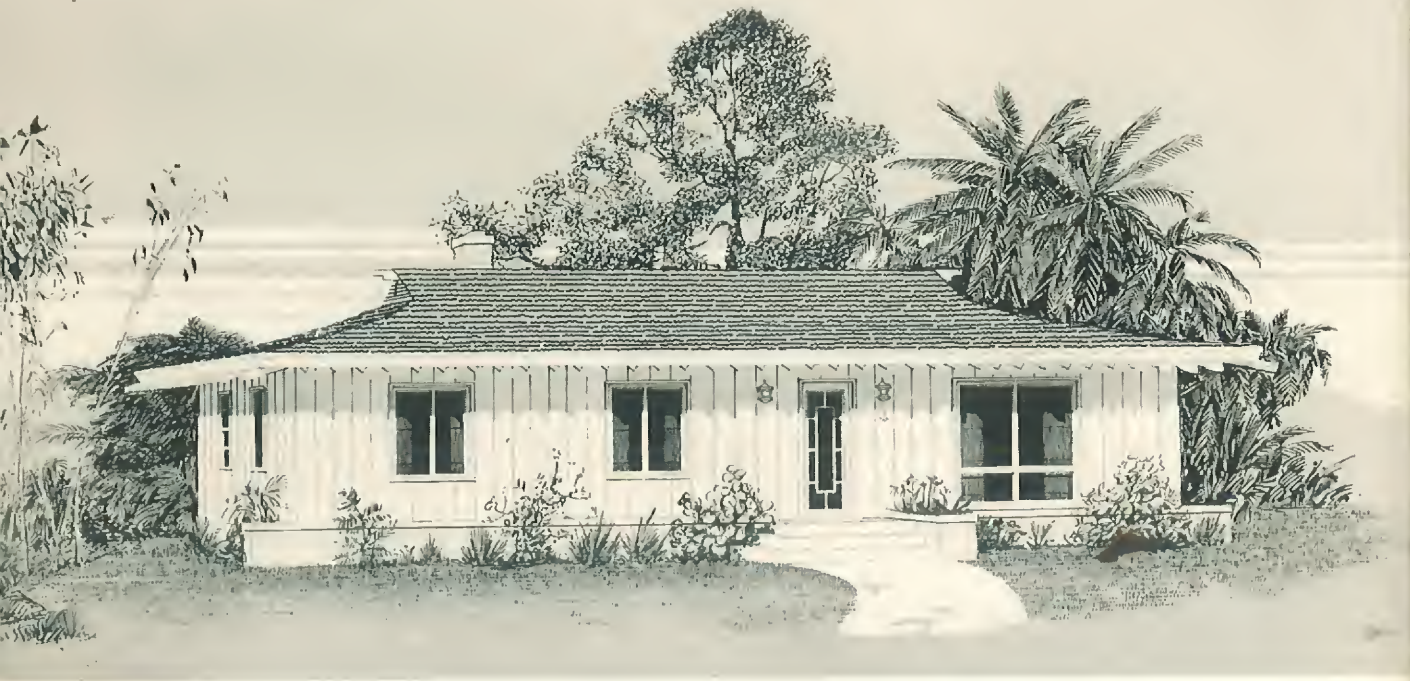

Lakeview

Compactness and planning brings the full measure of livability to this home. The dining space, as part of the living room arrangement, eliminates the necessity for a separate dining room.

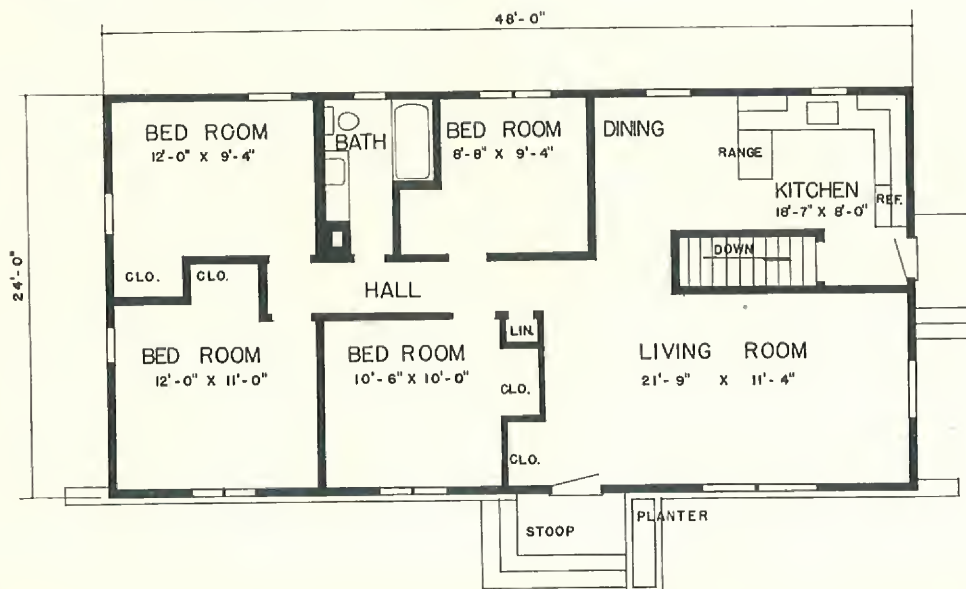

Price of one complete set of Plans, Specifications, Lumber and Millwork List. 25.00
 Additional sets, each. 5.00

WM. E. PEDERSEN, 400 PIONEER BLDG., ST. PAUL 1, MINNESOTA

Pacifica

The attractive exterior and cornice details are features used in the Pacific style. The basic idea is borrowed from the Japanese. This four bedroom house could be built with a conventional roof cornice if desired. This plan provides a compact and economical utilization of space.

Price of one complete set of Plans, Specifications, Lumber and Millwork List 25.00
 Additional sets, each 5.00
